

## **Behavioral health resources now include online e-referral tutorial**

In addition to the educational resources, forms and contact information for Blue Care Network behavioral health providers already available on e-referral, BCN has added a new online interactive e-referral tutorial. In the left navigation panel, click on [Behavioral Health](#) under BCN Care Management Resources. To navigate to the Web-based tutorial, click on the link [Web-based training: e-referral for Behavioral Health Providers](#) under Resources on the Behavioral Health page. This link will take you to the Web-based Training page. To begin the tutorial, click on the link under the heading Training for Behavioral Health Providers.
