STEP 1: DISEASE STATE INFORMATION

Required Demographic Information:

Patient Weight: _____ kg
 Patient Height: _____ ft _____ inches

Will the provider be administering the medication to the FEP member within the health plan's geographic service area?
 Yes No *If No, a prior authorization is not required through this process.*

Prior authorizations are required for FEP members that will be serviced by a provider within the health plan's geographic service area. If you are not a provider in the geographic service area, please contact the health plan for questions regarding the FEP member's benefit requirements.

Is this member's FEP coverage primary or secondary coverage?

- If primary, continue with question set.
- If secondary, **an authorization is not needed through this process. Please contact the member's primary coverage for determination of benefit and additional information.**

Site of Care:

- A. At what location will the member be receiving the requested medication?
- Physician's office, home infusion, non-hospital affiliated ambulatory infusion center.
 - Outpatient hospital infusion center. Please provide the name of the infusion center and rationale why the patient must receive this medication in a hospital outpatient setting. _____
 - Other. Please specify. _____

Criteria Questions:

- Does the patient have a diagnosis of emphysema? Yes No
- Has the patient been on Prolastin-C continuously for the last **2 months, excluding samples**? Yes No*
**If NO, please answer the following questions:*
 - Is there documentation of alpha₁ antitrypsin (AAT) deficiency? Yes No

Chart notes are required for the processing of all requests. Please add any other supporting medical information necessary for our review (required)

Coverage will not be provided if the prescribing physician's signature and date are not reflected on this document.

Request for expedited review: I certify that applying the standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function

Physician's Name	Physician Signature	Date
