

UTILIZATION MANAGEMENT

BCN provides utilization management programs.

These programs vary based on member coverage and may be administered by Blue Cross or BCN staff or by contracted vendors.

Utilization management programs focus on ensuring that patients get the right care at the right time in the right location through the authorization process.

The laboratory utilization management program is provided by the department listed below.

Reminder

As always, it's essential that providers check each member's eligibility and benefits prior to performing services.

Providers are responsible for identifying the need for authorization through our provider portal, Benefit Explainer or Provider Inquiry and for obtaining authorization for services, as needed.

Availity is an independent company that contracts with Blue Cross Blue Shield of Michigan and Blue Care Network to offer provider portal services.

Joint Venture Hospital Laboratories is an independent company that provides a statewide network and third-party administration for outpatient laboratory services for Blue Cross Blue Shield of Michigan and Blue Care Network members who have Medicare Plus Blue, BCN commercial and BCN Advantage plans. They also manage authorizations for genetic testing for members with BCN commercial or BCN Advantage coverage.

*For self-funded plans, the employer assumes the risk for claims costs and pays a fee for administrative services provided by Blue Cross or BCN.
