

Please join us for an
eviCore healthcare Webinar

Effective with dates of service on or after Oct. 1, 2015, additional non-emergent outpatient high-tech radiology services and also many cardiology and radiation therapy services must undergo clinical review by eviCore healthcare (formerly CareCore National). These requirements will apply to BCN HMOSM (commercial) and BCN AdvantageSM members. Providers are invited to learn more about these changes at an upcoming webinar.

Please choose the webinar(s) you wish to attend:

Cardiology/General Radiology

- Wednesday, Sept. 16, 10 a.m.**
RSVP by Sept. 14
- Wednesday, Sept. 23, 1 p.m.**
