Arthroscopy knee (surgical), for chondroplasty

We provide coverage for this procedure for adult members who meet medical necessity criteria.

- **For dates of service on or after June 1, 2020**, submit authorization requests to TurningPoint Healthcare Solutions, LLC. You can submit authorization requests to TurningPoint starting on May 1, 2020. See the BCN Musculoskeletal Services page for more information.

- **For dates of service before June 1, 2020**, submit authorization requests through the e-referral system. The submitter will receive a prompt to complete a questionnaire to determine the appropriateness of the requested service. The questions are listed below. If all questions are answered, e-referral will either approve or pend the case. If the case pends and we cannot authorize it, we will contact the provider for additional clinical information.

Authorization is not a guarantee of payment. Payment is based on established claim edits. We will retrospectively monitor compliance with this authorization requirement.

Applicable procedure codes: *29877, *29879, G0289

*CPT codes, descriptions and two-digit numeric modifiers only are copyright 2019 American Medical Association. All rights reserved.

See below for the questions you’ll encounter in the e-referral system.
