

Rhinoplasty (outpatient)

We provide coverage for this procedure for pediatric and adult members who meet medical necessity criteria. Submit authorization requests through the e-referral system.

The submitter will receive a prompt to complete a questionnaire to determine the appropriateness of the requested service. The questions are listed below.

If all questions are answered, e-referral will either approve or pend the case. If the case pends and we cannot authorize it, we will contact the provider for additional clinical information. Authorization is not a guarantee of payment.

Payment is based on established claim edits. We will retrospectively monitor compliance with this authorization requirement.

Applicable codes for rhinoplasty (outpatient): *30400, *30410, *30420, *30430, *30435, *30450, *30460 and *30462
