

Cosmetic or reconstructive surgery

We provide coverage for this procedure for adult members who meet medical necessity criteria. Submit authorization requests through the e-referral system.

The submitter will receive a prompt to complete a questionnaire to determine the appropriateness of the requested service. The questions are listed below.

If all questions are answered, e-referral will either approve or pend the case. If the case pends and we cannot authorize it, we will contact the provider for additional clinical information. Authorization is not a guarantee of payment.

Payment is based on established claim edits. We will retrospectively monitor compliance with this authorization requirement.
