

Want to grow your practice? Want to connect with patients looking for your area of expertise?

Blue Cross Blue Shield of Michigan and Blue Care Network behavioral health providers can connect with new patients through the Quartet online platform.

A referral source you can trust

Quartet refers members seeking outpatient treatment to behavioral health providers registered on Quartet's platform, based on their needs and preferences and the provider's clinical specialty and availability.

Participation on Quartet's online platform is voluntary and free. By joining, you can help eligible Blue Cross and BCN members who are struggling to find the behavioral health care they need.

Learn more about Quartet

Use your camera phone to scan the QR code or go to qrt.care/mhprecruit2023* and learn more.

A free online platform to help you grow your practice

Expand your client base

Quartet will match you to new patients based on your clinical specialty, for free.

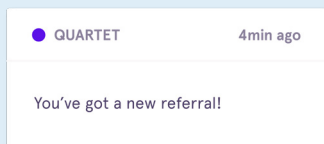

Access tools and resources to help

Through the Quartet platform, you can access clinical assessments and other resources to support your work, so you can continue to do what you do best.

How Quartet works

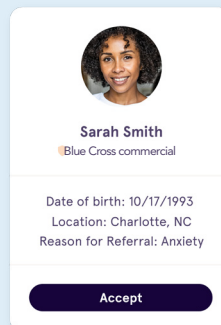

Receive referrals

You'll be matched with new patient referrals based on your clinical specialty and insurance panel.

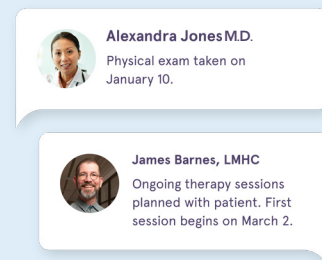

Accept patients

You can start treating patients according to your availability and practice capacity.

Track progress

You'll be able to securely communicate with patients and track progress through the Quartet platform.

Grow your practice with Quartet
