STEP 1: DISEASE STATE INFORMATION

Required Demographic Information:

Patient Weight: _____ kg
Patient Height: _____ ft _____ inches

Will the provider be administering the medication to the FEP member within the health plan's geographic service area?
 Yes No *If No, a prior authorization is not required through this process.*

Prior authorizations are required for FEP members that will be serviced by a provider within the health plan's geographic service area. If you are not a provider in the geographic service area, please contact the health plan for questions regarding the FEP member's benefit requirements.

Is this member's FEP coverage primary or secondary coverage?

- If primary, continue with question set.
- If secondary, **an authorization is not needed through this process. Please contact the member's primary coverage for determination of benefit and additional information.**

Criteria Questions:

- What drug is being requested? levoleucovorin Fusilev
- What is the ICD-10 code? _____
- Is leucovorin an appropriate and available option at this time? Yes No
- What is the reason for requesting levoleucovorin/Fusilev?
 - Rescue treatment after high-dose methotrexate therapy
 - Treatment of folate antagonist overdosage
 - Combination therapy with fluorouracil based chemotherapy regimens
 - Other _____

Chart notes are required for the processing of all requests. Please add any other supporting medical information necessary for our review (required)

Coverage will not be provided if the prescribing physician's signature and date are not reflected on this document.

Request for expedited review: I certify that applying the standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function
