

Please join Blue Care Network for a **Webinar on the AIM Specialty Health® Authorization Program**

Confidence comes with every card.®

For dates of service on or after Oct. 1, 2018, authorization requests for cardiology and high-tech radiology services for BCN members must be submitted to AIM Specialty Health instead of eviCore healthcare. This applies to both BCN HMOSM and BCN AdvantageSM members.

Sign up for a webinar to learn how to submit authorization requests to AIM. We'll show you how to access the AIM system and how the submission process works.
