Finding home sleep study providers
How to use the Blue Cross / BCN online provider search to find home sleep study providers affiliated with BCN

Follow these steps to find home sleep study providers affiliated with BCN:

2. Click the arrow in “Choose a health plan.” Click the category that represents the type of plan you have.
3. Click your plan name.
4. Type “home sleep testing.”
5. Enter the ZIP code or city.
6. Click Search.
7. Review the results, to identify the home sleep study providers that meet your search criteria.

Note: In addition to the providers listed in the search results, Night Hawk Sleep Systems, Inc., provides home sleep study services for BCN members throughout the state of Michigan. Providers can contact Night Hawk at 1-877-622-2022.
