

For treatment of adult/geriatric or child/adolescent psychiatry: partial hospital program — episode week 1

In applying InterQual[®] 2022 criteria to different benefit packages, Blue Cross Blue Shield of Michigan and Blue Care Network have adopted local rules. These local rules apply to all BCN commercial, BCN Advantage and Medicare Plus Blue members statewide whose care is coordinated by BCN's and Medicare Plus Blue's Behavioral Health department.

The following local rules for service requirements for mental health disorders were developed or revised for use with InterQual's criteria for:

- Adult/Geriatric or Child/Adolescent – Partial Hospital Program – Admission, Week 1

Adult/Geriatric or Child/Adolescent Psychiatry – Partial Hospital Program Admission, Week 1	
From: InterQual 2022 Standard	To: Blue Cross / BCN 2022 Accepted Practice Standard
<ul style="list-style-type: none"> • Partial Hospital Program, One: <ul style="list-style-type: none"> ○ Admission, Week 1, All: <ul style="list-style-type: none"> - Planned Intervention, One: <ul style="list-style-type: none"> ▪ Diagnosis other than eating disorder, All: <ul style="list-style-type: none"> • Can tolerate a structured therapeutic program at least 15 hours per week. 	<ul style="list-style-type: none"> • Partial Hospital Program, One: <ul style="list-style-type: none"> ○ Admission, Week 1, All: <ul style="list-style-type: none"> - Planned Intervention, One: <ul style="list-style-type: none"> ▪ Diagnosis other than eating disorder, All: <ul style="list-style-type: none"> • Can tolerate a structured therapeutic program at least 30 hours per week.

Adult/Geriatric or Child/Adolescent Psychiatry – Partial Hospital Program – Episode Week 2 and 3-X – Symptom Improving or Expected to Improve and Not Clinically Stable for Discharge	
From: InterQual 2022 Standard	To: Blue Cross / BCN 2022 Accepted Practice Standard
<ul style="list-style-type: none"> • Intervention, One: <ul style="list-style-type: none"> ○ Diagnosis other than eating disorder, All: ○ Can tolerate a structured therapeutic program at least 15 hours per week. 	<ul style="list-style-type: none"> • Intervention, One: <ul style="list-style-type: none"> ○ Diagnosis other than eating disorder, All: ○ Can tolerate a structured therapeutic program at least 30 hours per week.
