Palliative care

For non-hospice palliative care

Revised June 2025

CARE MANAGEMENT AND SUPPORT SERVICES

Blue Cross Blue Shield of Michigan and Blue Care Network offer care management programs and support services to members.

These programs vary based on member coverage and may be administered by Blue Cross or BCN staff or by independent companies.

Care management programs provide patient support by identifying patients with health risks and working with them to improve or maintain their health, and **support services** provide support to members through their health journeys.

These programs are provided by the independent company listed below.

CARE MANAGEMENT AND SUPPORT SERVICES

Carelon Health

Provides members with non-hospice palliative care that focuses on symptom management, patient-family communication, advance care planning, medical crisis prevention and urgent response.

Care is delivered by community-based providers to members with life expectancies of fewer than 12 months. Medical care is provided by a multidisciplinary team that includes physicians, nurse practitioners, nurses and social workers. This program is available to members in specific geographic regions.

In addition, a telehealth palliative care program is available to members in some rural areas within Michigan that lack the population density to support home-based services.

Carelon Health provides these services for the following groups and members:

- Medicare Plus BlueSM All groups and all members with individual coverage
- BCN AdvantageSM All groups and all members with individual coverage
