To determine which procedure codes require prior authorization by EviCore by Evernorth®:

1. Open the [Procedure codes for which providers must request prior authorization](#) document.

2. Look for EviCore in the "Requests managed by" column.

Tip: On page 1 of that document, read the "To search for a procedure code in this document" section to learn how to search for a procedure code and more.

EviCore by Evernorth is an independent company that contracts with Blue Cross Blue Shield of Michigan and Blue Care Network to manage prior authorizations for select services.
