Oncology Value Management program participation list for self-funded groups

For Blue Cross commercial and BCN commercial

November 2024

This document lists Blue Cross Blue Shield of Michigan and Blue Care Network commercial self-funded groups that have opted in to the Oncology Value Management program, along with the date on which they opted in. Starting Jan. 1, 2025, the Oncology Value Management program is administered by OncoHealth.

When a group opts in to the program, providers must request prior authorization for medical oncology and supportive care drugs that are managed by OncoHealth.

Important: For groups that haven't opted in, you may need to submit prior authorization requests through the NovoLogix® online tool for select nonpreferred biosimilar drugs. See the [Oncology Value Management program prior authorization list for Blue Cross and BCN commercial members](#) for more information; look for the section titled "Blue Cross and BCN commercial biosimilar drug preferences."
