

# Summary of utilization management programs for Michigan providers

For Blue Cross commercial, Medicare Plus Blue<sup>SM</sup>,  
Blue Care Network commercial and BCN Advantage<sup>SM</sup>

Revised April 29, 2021

The tables that follow are not all-inclusive lists of procedures and services that require authorization. For more information, visit [ereferrals.bcbsm.com](http://ereferrals.bcbsm.com).

**Note:** This document is for summary purposes only. For Blue Cross commercial members, not all services in the categories listed require authorization for every employer group. The lists of groups identified as excluded from specific authorization requirements are not all-inclusive. Providers are responsible for identifying the need for authorization through web-DENIS, Benefit Explainer or Provider Inquiry and for contacting the vendor and obtaining authorization for the service.

## Behavioral health services (mental health and substance use disorders)

Procedure or service	Is authorization required? / Who makes the determinations?
