

Submit medical drug prior authorization requests online

As part of our efforts to make the prior authorization (PA) process more efficient, we're encouraging prescribers register and use our Web-based system when prescribing medical drugs for commercial members. This new application gives providers the ability to submit forms electronically and the ability to lookup the status of their medical drug PA request.

In-state Providers

In order to be able to submit your prior authorization requests electronically, you will need to:

- Become a registered Availity user by clicking the following hyperlink, [availity.com/bcbsm](https://www.availity.com/bcbsm), and following the steps.

To request a drug prior authorization, please go to [bcbsm.com](https://www.bcbsm.com) and follow these easy steps:
