Submit medical drug prior authorization requests online

As part of our efforts to make the prior authorization (PA) process more efficient, we're encouraging prescribers register and use our Web-based system when prescribing medical drugs for commercial members. This new application gives providers the ability to submit forms electronically and the ability to lookup the status of their medical drug PA request.

In-state Providers

In order to be able to submit your prior authorization requests electronically, you will need to:

- Become a registered web-DENIS user

To request a drug prior authorization, please go to bcbsm.com and follow these easy steps:

Log into the Provider Portal

- Navigate to bcbsm.com, and enter your provided username and password in the Provider Secured Services box

Navigate to the Medication Prior Authorization Link

- Select the quick link on the left side of the webpage labeled "Medical Benefit-Medication Prior Authorization" or scroll down the center of the page to find a duplicate link

Enter your National Provider Identifier (NPI)

- Type in or select your NPI from the drop-down list. Once you complete this step, you will be routed to Novologix

Complete the Prior Authorization Request

- Refer to BCBSM Prior Authorization Guide for instructions (accessible from the help menu under Blue Cross Blue Shield of Michigan).

Out-of-State Providers

In order to be able to submit your prior authorization requests electronically, you will need to:

- Access the Electronic Provider Access (EPA) via local Blues Plan
- Download the Registration form for electronic access from the Medical Prior Authorization Review link
  AND
- Submit the Registration form with a completed Medication Authorization Request Form (MARF) via fax or mail
- For additional information or instructions, please refer to the e-Learning Training Modules in the Provider Secure Services page OR contact the Help Desk at 877-258-3932

Disclaimer: Access is only available to registered users. A valid individual NPI is required for registration.
